Superintendent's Report:

Mr. Buchanan shared with the board the Hinton Grocery Store has started donating food items to the school for the kids and families.

Mr. Buchanan stated the district had a PD day today and brought in Andy Jacks as a guest speaker. It was a wonderful opportunity for our staff to receive this training. He had them engaged and interacting.

Mr. Buchanan mentioned again that failure isn't an option and the students work hard to complete the work assigned at Geary Schools. Staff is working with students to keep them off the ineligible list. The students will do their work, the

students will get credit for their work, and the students will graduate. We have a 100% graduation rate.

Mr. Buchanan stated we will be opening bids for the new school project tomorrow at 3pm here in the boardroom. He will be in contact with the board regarding bid awarding which could happen on Wednesday. He also updated the board on the status of the certain contracts that have been awarded on the school project.

Mr. Buchanan gave the board an update on the FY25 audit.

Mr. Buchanan also updated the board on the Finances. He stated we are currently under performing on the estimate of needs projections a little bit on gross production. We knew that and that is the reason for the changes at the beginning of the year. With that being said, our finances are strong and looking good.
